NORMAL SQUAD MAY BE CUT AFTER XMAS

The basket ball squad of Eastern Normal disbanded Wednesday until January 3, at which time the individual members will return from their respective homes to resume their class work and to uphold the athletic honors of the Normal in contests with the basket ball teams of Kentucky Wesleyan College, Cumberland College, Union College, University of Louisville, Sue Bennett Memorial School and Lincoln Memorial School.

The squad is composed of the following men: Rice, Harlan county; Mainous, Owsley county; Combs, Lee county; Stone, Howe, Malloy and Vandiver, Madison county; Holbrook, Leitcher county; Goodman, Jackson county; Rowland, Owsley county; and Wood, Johnson county.

Coach Hembree will cut his squad to nine or ten men shortly after the holiday season. Some of the most promising candidates have not been training properly and as a result have not shown the form they are capable of attaining. He has cautioned his men against excessive eating, smoking and late hours while they are away. As each man is imbued with the spirit of team and wholesome athletics there is not a question in the coach's mind but his men will return in better condition than they are at present.

After playing Berea last Monday night the boys realize the possibilities of a winning combination and each one has resolved that his best efforts will be put forth. The entire student body is enthusiastic over the outcome and will back the team unanimously.

The unselfish attitude of the officers and students of Madison High has made basket ball possible for Eastern Normal and the Model High this year. There is keen competition between the teams of Madison High and Model High when engaged in a game against each other, but when playing some one else the most enthusiastic rooters each team has are the players of the local team.

After the holiday season Richmond sport lovers will have an opportunity to witness some real games. The boys and girls' teams of both high schools and Eastern Normal are working hard to give the local community a winning group of teams. The attendance at the games already played assures everyone the liberal support of the townspeople.

HOLIDAY SPIRIT IN COUNTY SCHOOLS

Beginning Thursday night at various county schools, there will be Christmas trees and entertainments galore, very few being without a special program. There will be community meetings and entertainments of various kinds during the remainder of the week and next week as well. Rehearsals for plays are being held in various places, and home talent entertainments will be a feature. Announcements are coming in to the effect that there will be a general observance of the holidays in Madison county quite out of the ordinary in point of extensiveness. The majority of the entertainments, however, will be held at the schools on Friday and Saturday nights. Special invitations have been issued to the parents of students who will be in attendance. There will be musical and literary programs rendered at College Hill, Union City and other graded schools throughout the county. The many improvements at the graded schools afford much better opportunity than ever this year for the entertainments.

One week from Monday will be court day and owners of live stock the belief there will be no especially large sales until the arrival of the spring months.

Mr. Burke Coomer and George Crooke are home from Berea College to spend the holidays.

CANTATA AT EPISCOPAL CHURCH FRIDAY NIGHT

Members of the Presbyterian church and their friends are invited to come to the Xmas Cantata, "The Spirit of Christmas" which will be given in the Episcopal church Friday evening, at 7 o'clock. This is a play with music numbers throughout, and

promises to be one of the feature entertainments during Xmas. It is under the direction of Prof. S. S. Myers of the Eastern Normal, and Miss Brown E. Telford, who have worked faithfully during the past few weeks in training the little folks in their different parts. There is no admission, and the public is cordially

invited to attend. There is a big demand for home-made candies in the city, dealers state, they alleging the demand for this overshadows the pretty boxes in which imported candies are found.
